1. SDM data and sharing

- **Dr. Xie: 1990, 1995, 2000, 205, and 2010 data for grassland may not work, but good for urban and croplands. Yuchun will contact Dr Zhou for data access**
- **Clip the GLC30m 2010 with a hyperlink this week (Ranjeet)**
- **Jiquan, contact Qianglai for data modeled results via Yaling, including T, P, ET, NPP, and (P-ET)**
- **Changliang/Ranjeet will work with Mei Ma on policy shifts in Xiling Meng**
- **Ranjeet and Hogeun will post the Xiling Meng data of Dr. Xie for sharing with this team (i.e., with password protection)**
- **Ginger/Ranjeet to post meetings events and minutes**
- **1980 to 2006 county levels data is available at Yaling**
- **Wei/Dan will contact China Center at UM for accessing the database**
- **Ginger will draft the policy and invitation for data contribution;**
- **Ginger will send more UM data to Hogeun**
- **Hogeun will create a data folder for internal use (i.e., password).**
